Participating in choir this year will entail participating in 2 zoom sessions, and being at Grand Assembly by 2pm, Friday, October 10th for practice! We only get a short amount of time to practice, so please know the songs as well as possible. (Practice with others on your road trip to Grand Ronde, Oregon)

Members may participate more than one year as a Grand Choir member, members of other jurisdictions may also participate, as well as Past Grand Officers of this and other jurisdictions. Being in the choir is more than just singing music, it provides members with an opportunity to actually participate in the sessions, to bond with members from other assemblies and jurisdictions, and to hopefully have some fun!

Please send your Grand Choir member recommendations either by email or snail mail no later than Sept 1, 2025, but earlier is always better. Also, please send a check for \$5.00/girl to me by Sept 1, 2025*. (The \$5.00/choir fee helps pay for the choir stoles, music and other props.) It is **very important to know the height** of each member as I will be bringing the choir robes pre-ironed and need to know how many of each size to bring.

Let me know if you have any questions!
